EDUCATION

Manav Rachna University   6.4 CGPA
Bachelor of Technology in Computer Science and Engineering   *August 2021- July 2025*

Bharat Mata Saraswati Bal Mandir   80%
Senior Secondary   *April 2019- March 2021*

EXPERIENCE

Front-end developer Intern   *June 2023- July 2023*
MRCPS
- Worked as a front-end developer to create a web application that enabled teacher-student connection.
- Worked on the core ideas of resource sharing, communication, and collaboration between teachers and students in online learning environments.
- Worked with jQuery, JavaScript, CSS, and HTML.

Cyber Security Intern   *April 1 2024- April 30 2024*
ShadowFox
- Each student was given a list of task including encryption, finding the number of open ports in a website, brute force the website, intercepting the network.
- Kali Linux was used to perform these tasks.

Python Developer Intern   *May 19 2024- Present*
Cognifyz Technologies
- Each student is given a set of task including mini calculator, password strength checker, email validator etc.
- Platforms like VS Code and Jupyter Notebook are used.

PROJECTS

Clone Netflix Site | *HTML, CSS, JavaScript, SQL Database*
- built a clone of Netflix using my web development skills..
- the project is implemented using SQL Database, JavaScript, CSS and HTML.

Password Manager | *Cybersecurity, Python*
- The project showcases Python proficiency and cybersecurity by creating a password manager application, ensuring secure and unique passwords for multiple accounts in the digital environment.

Website Vulnerability Scanner | *Cybersecurity*
- automated tool that scans web applications for security vulnerabilities.
- it will check a site against a list of known vulnerabilities

TECHNICAL SKILLS

Skills: Java, Python, JavaScript, C, CSS, Cybersecurity, Data structures and algorithm, SQL

Development tools: Eclipse, VS code, MySQL, Kali Linux, Jupyter Notebook

CERTIFICATIONS & TRAINING

Web Development Certification | *Internshala, Online*

Introduction to Internet of Things | *NPTEL*

Privacy and Security in Online Social Media | *NPTEL*

The Complete Python Bootcamp From Xero to Hero in Python | *Udemy, Online*

Java programming fundamentals | *Infosys, Online*

Networking Basics | *Cisco, Online*

Introduction to Cyber Security | *Cisco, Online*
